

About No Pens Day

No Pens Day is our yearly celebration of talking and listening in the classroom, and we're so glad you've decided to join us for an amazing day of fun and fundraising!

Fundraising is a vital part of No Pens Day and just £1 from each pupil could help change young lives across the UK. What's more, you'll give your pupils a memorable day of talking, listening, learning and laughter!

You've given your class a day off the writing to talk, listen, laugh and learn in a fun and exciting way - and now we're asking you to spread the word about No Pens Day on social media... (no pens are required for this, either!). We've provided handy shareable images and suggested captions below!

Who we are

We're Speech and Language UK, and our mission is to give children and young people struggling with talking and understanding words the skills they need so they aren't left behind, waiting to be understood.

We're asking schools to join us in raising vital funds to help support the 1 in 5 children with speech and language challenges in the UK. By taking part in No Pens Day, you'll be helping us to continue providing speech and language resources, training and tools for families and professionals, so that every child can face the future with confidence.
