About Meath

A Speech and
Language UK school

Meath, a Speech and Language UK School (www.meathschool.org.uk) based in Ottershaw, Surrey is a day and residential non-maintained primary special school for up to 75 pupils aged 4 to 11 years, where Speech and/or Language Disorder and associated difficulties is the primary need, including children with high functioning Autism.

Our most recent Ofsted report (2023) is highly positive about the work of the school and the progress which our children make. “Pupils are happy and safe, and they enjoy being in school. They comment that ‘everyone can have friends here’.”

“The values of ‘talk, learn, grow’ are at the heart of all that the school does. Every aspect of learning is centred around equipping pupils to become confident and independent communicators.”

“The harmonious collaboration between the therapy and education teams forms the core provision. Therapy programmes are seamlessly intertwined throughout all lessons, and every pupil benefits from this enrichment.”

About Speech and Language UK

At **Speech and Language UK**, we want every child to face the future with confidence. For 1.9 million children in the UK, learning to talk and understand words feel like an impossible hurdle. Without the right help, this can destroy their world. They feel disconnected from their family. Unable to make friends. Unfairly punished for not following instructions they don't understand. What does the future hold for them?

We must reach children earlier, to make sure every child has the skills to face the future. We design innovative tools and training for thousands of nursery staff and teachers. We give families the confidence and skills to help their child. And we put pressure on politicians to prioritise support for children. Too many children are left waiting to be understood. Help us bring speech and language skills into the spotlight so they can all flourish.

Principal's Welcome

It is with great pleasure that I welcome you to share the experience we have at Meath. We are a school dedicated to ensuring every child learns to communicate, gets a positive learning experience and feels a sense of belonging and security to be themselves and flourish by overcoming their barrier to learning. Our school is emersed in the total communication approach, so whatever the communication need, there is a way to get past it.

We at Meath, take great pride in the work we do and the progress we see of individual children. We believe that we open doors and support children to be strong independent communicators and learners. We offer a way to ensure they are heard and can give their valued voice and opinion by whatever means.

We want to prepare children for the next stage of their education and give them the tools to independently access the learning and education which will provide them with greater life choices and experiences. We want every child to **TALK, LEARN,** and **GROW,** we want them to 'talk' through any means possible, learn and empower them to grow as independent citizens. Our collaborative and immersive environment allows children to be effective communicators and learn various means to have their voice heard. We work as a multi-disciplinary team to ensure the best expertise is shared and taught so that we drive progress forward and ensure we are providing the most evidence-based approach to our practice.
