About Meath

A Speech and
Language UK school

Meath, a Speech and Language UK School (www.meathschool.org.uk) based in Ottershaw, Surrey is a day and residential non-maintained primary special school for up to 75 pupils aged 4 to 11 years, where Speech and/or Language Disorder and associated difficulties is the primary need, including children with high functioning Autism.

Our most recent Ofsted report (2023) is highly positive about the work of the school and the progress which our children make. “Pupils are happy and safe, and they enjoy being in school. They comment that ‘everyone can have friends here’.”

“The values of ‘talk, learn, grow’ are at the heart of all that the school does. Every aspect of learning is centred around equipping pupils to become confident and independent communicators.”

“The harmonious collaboration between the therapy and education teams forms the core provision. Therapy programmes are seamlessly intertwined throughout all lessons, and every pupil benefits from this enrichment.”

About Speech and Language UK

**Speech and
Language UK** 
Changing young lives.

At **Speech and Language UK**, we want every child to face the future with confidence. For 1.9 million children in the UK, learning to talk and understand words feel like an impossible hurdle. Without the right help, this can destroy their world. They feel disconnected from their family. Unable to make friends. Unfairly punished for not following instructions they don't understand. What does the future hold for them?

We must reach children earlier, to make sure every child has the skills to face the future. We design innovative tools and training for thousands of nursery staff and teachers. We give families the confidence and skills to help their child. And we put pressure on politicians to prioritise support for children. Too many children are left waiting to be understood. Help us bring speech and language skills into the spotlight so they can all flourish.

Principal's Welcome

It is with great pleasure that I welcome you to share the experience we have at Meath. We are a school dedicated to ensuring every child learns to communicate, gets a positive learning experience and feels a sense of belonging and security to be themselves and flourish by overcoming their barrier to learning. Our school is emersed in the total communication approach, so whatever the communication need, there is a way to get past it.

We at Meath, take great pride in the work we do and the progress we see of individual children. We believe that we open doors and support children to be strong independent communicators and learners. We offer a way to ensure they are heard and can give their valued voice and opinion by whatever means.

We want to prepare children for the next stage of their education and give them the tools to independently access the learning and education which will provide them with greater life choices and experiences. We want every child to **TALK, LEARN,** and **GROW,** we want them to 'talk' through any means possible, learn and empower them to grow as independent citizens. Our collaborative and immersive environment allows children to be effective communicators and learn various means to have their voice heard. We work as a multi-disciplinary team to ensure the best expertise is shared and taught so that we drive progress forward and ensure we are providing the most evidence-based approach to our practice.

Majella Delaney
Principal

**“Meath School
has been amazing
– we’ve got our
little boy back!
He’s made lots of
friends, and he’s
understanding so
much more.”**

The Role

Thank you for your interest in becoming a Residential Childcare Officer at our Ofsted 'Outstanding' school in Surrey. We are part of the leading children's communications charity, Speech and Language UK. We are located between Woking and Chertsey in delightful grounds close to Runnymede.

We are a multi-disciplinary team that includes Teachers, Learning Support Assistants, Speech and Language Therapists, Educational Psychologist and Occupational Therapists who all offer our pupils a fully integrated approach to our children's education, communication skills and overall health and wellbeing.

As a Residential Care Officer your focus would be on providing a safe and caring environment while also offering opportunities for children to maximise their independence, develop confidence and essential life skills. You will play a vital role in providing high-quality care and support to children with complex speech and language challenges.

The ideal candidate will possess relevant childcare qualifications, experience working with special needs children, and a resilient, calm approach to challenging situations
